Devansh Gupta

Attended JECRC University
Jaipur, Rajasthan, India

Summary

I'm an aspiring Artificial Intelligence and Machine Learning enthusiast with a strong passion for exploring the intersection of data, algorithms, and intelligent systems. Currently building a solid foundation in programming, data structures, and core ML concepts, I am eager to contribute to innovative projects that solve real-world problems using AI-driven solutions.

With a curious mind and a growth-oriented mindset, I'm actively upskilling in Python, neural networks, and applied machine learning. I believe in continuous learning, collaborative growth, and using technology to create meaningful impact.

Open to internships, mentorship, and opportunities that challenge me to learn, build, and grow in the dynamic field of AI and ML.
